

Testing Audio Before Zoom Meetings

IOS Users

Joining with device audio in a meeting

Step 1: If this is the first Zoom meeting that you've joined, you will be asked to give access to your microphone.

Step 2: When you join the meeting, you will be prompted to join the audio.

Step 3: You will have the following audio options:

Testing Audio Before Zoom Meetings

- **Call using Internet Audio:** Connects audio through the internet
- **Dial in:** Provides options to dial into the Zoom Meeting via telephone
- **Call My Phone:** Calls your phone to join the meeting.

Step 4: If you choose **Cancel**, you can open the prompt again by tapping **Join Audio**.

Step 5: Once connected, you will see the microphone icon to mute and unmute in the bottom left-hand corner.
