

TEXAS SOUTHERN UNIVERSITY

OFFICE OF RESEARCH

PRE-AWARD SERVICES

~

COMPLIANCE SERVICES

Mission

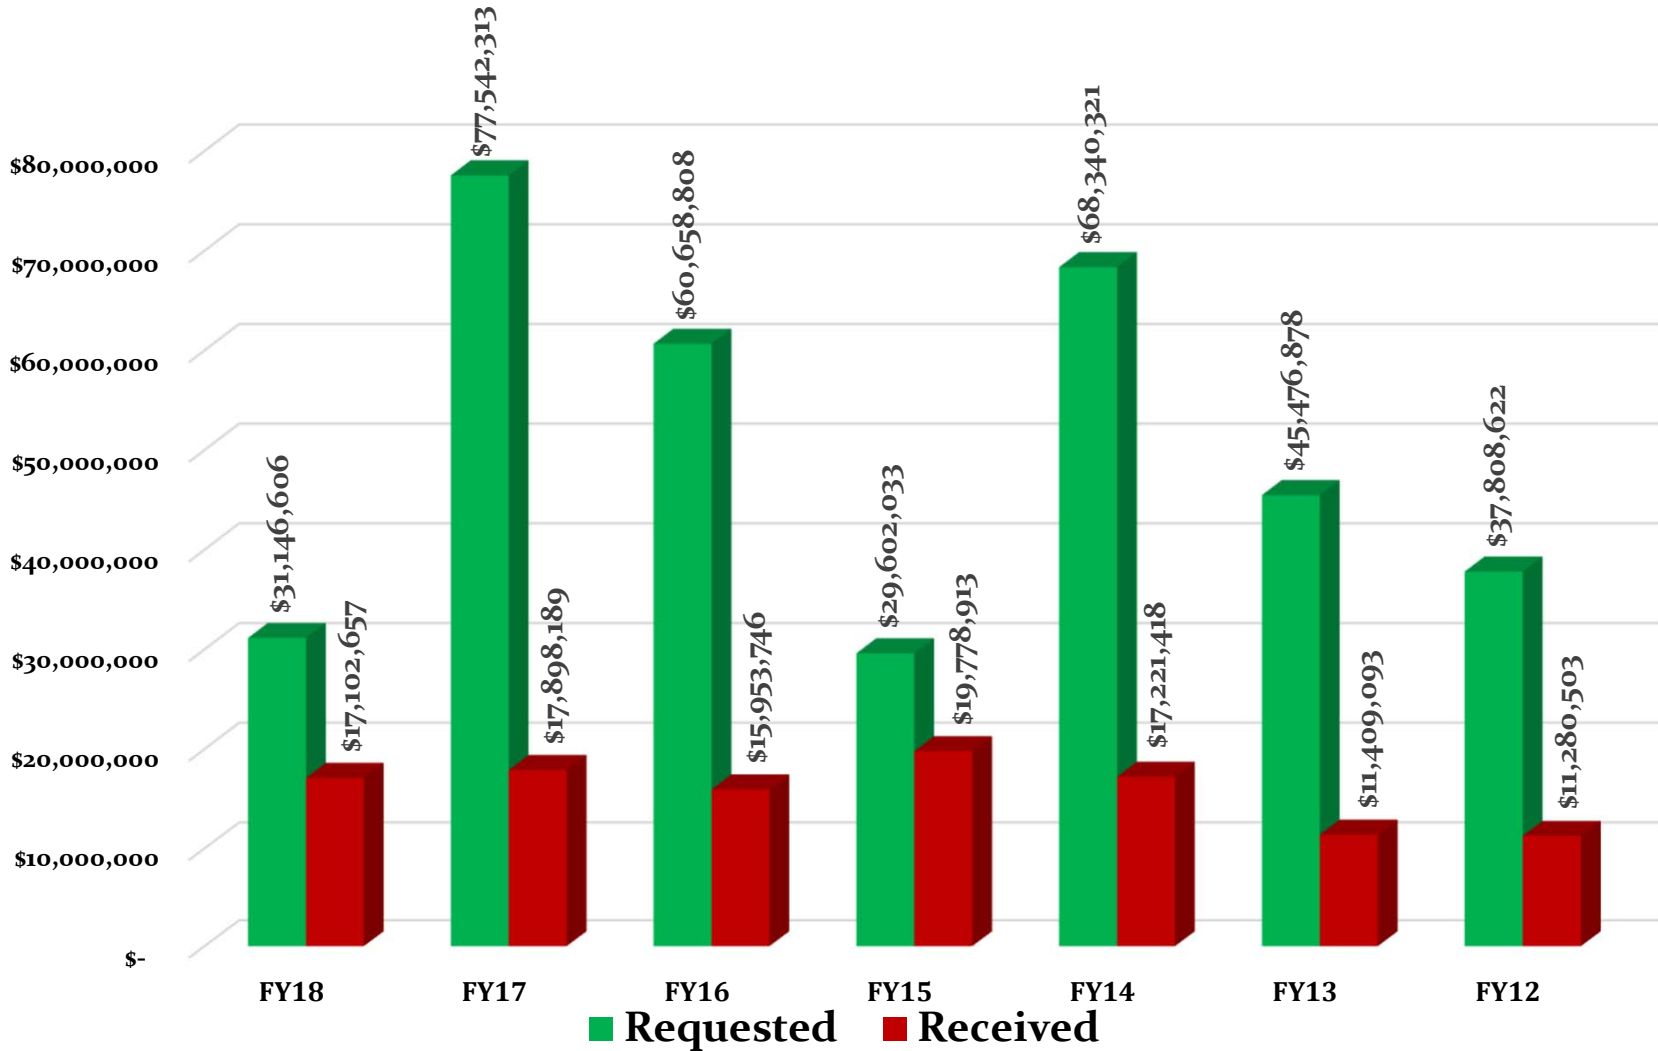

Pre-Award Services

To provide customer service and guidance to faculty, staff, and administrators in obtaining and administering extramural funding through proposal review, authorization, and transmission of proposals to funding agencies.

Compliance Services

To ensure research compliance with state and federal governing agency regulations and internal policies, guidelines and procedures, and to provide an environment that supports research advancements for the research community of Texas Southern University
