Assessment Narrative
Academic Years 2007-08 thru 2009-10

COLLEGE OF EDUCATION – DEPARTMENT OF HEALTH & KINESIOLOGY

Program: BA in Sports Management

The program began in the spring of 2011, with a mission: to provide competent sport managers, and astute professionals in sport studies and leadership organizations.

Goal 1

To adequately prepare students to be competent sport managers and astute professionals in sport studies and leadership organizations in their areas of specializations.

Outcome 1.1

Students will demonstrate skills of the professional practice.

Departmental Exit Examination scores will be used to determine student success. The target is that 70% of the students will pass the Departmental Exit Examinations.

Findings (2008-2010)

As this is a new program, test data is not available.

Action Plan Summary 2010

Continued evaluation of course offerings to the needs of the sport industry in preparing students for the comprehensive examination.

Outcome 1.2

Students will demonstrate an understanding of sport studies and leadership technology, research, assessment and evaluation as ongoing processes involving multiple sources of information and techniques in the sports industry.

Student achievement will be measured through Internship Preceptor Practicum Instrument scores.

Findings (2008-2010)

As this is a new program, test data is not available.

Action Plan Summary 2010

Continued evaluation of (opportunities and meaningful training facilities as well as duties assigned) the internship sport industry organizations for the placement of students (student and organizational interviews).
