

TEXAS SOUTHERN UNIVERSITY

TSU Family:

Based on the ongoing situation with the coronavirus pandemic, and considering the safety and well-being of our TSU community, a decision has been made to conduct the Summer 2020 semester utilizing online instruction. This includes the three-week May mini-mester and all other Summer sessions.

Additionally, TSU will utilize the traditional grade letter (A, B, C, D, and F) grading policy for all Summer classes.

Finally, three student fees will be removed from the fee structure for the Summer semester only. This includes the Student Center fee, the Recreational Facility fee, and the International Education fee.

Remember that registration for both the Summer and Fall 2020 semesters begins on **Monday, April 20**. Make sure to visit [MyTSU](#) to initiate registration!

Go Tigers!
