

TSU
TEXAS SOUTHERN UNIVERSITY
RENEW 2022
A Collaborative Journey for Change

Greetings,

We are pleased to announce the release of Ellucian's eLearning Library. The **On-Demand Subscription Library (ODSL)** is now available. In keeping with our expected outcomes of **Renew 2022**, the addition of this resource will serve to increase Banner usage, provide added functionality, improve knowledge, and take us a step further on our collaborative journey for change.

Benefits of the eLearning On-Demand Subscription Library (ODSL):

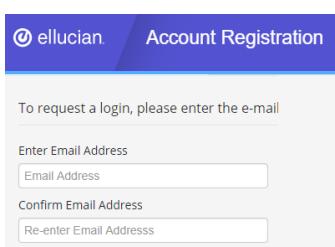

- There are more than 4,000 lessons for the Ellucian solutions you use the most
- "Knowledge Packs" offer pre-defined sets of courses to ensure comprehensive training
- A cloud-hosted learning environment enables access 24 hours a day, seven days a week
- You will always know what courses you have taken; the system tracks all training
- [ODSL Course Listing](#) Library is downloadable as an Excel or comma-separated file.

If you already have an Ellucian Customer Center account, you are ready to experience the benefits of ODSL right now, just by logging in. If you do not have an account, you can set one up following the steps below — your access to the library will be provisioned within one-to-two business days of account activation.

We look forward to the adoption of the On-Demand Subscription Library to facilitate the empowerment of our faculty, staff, and students.

Go Tigers!

How to Access Ellucian's On-Demand Subscription Learning

<p>If you already have an Ellucian Customer Center account, proceed to step 1.</p> <p>If you do not have an Ellucian Customer Center account, register here. You will receive premium access to the library within one-to-two business days after activation.</p>	 <p>The image shows the 'ellucian Account Registration' page. It has a blue header bar with the 'ellucian' logo and the text 'Account Registration'. Below the header, there is a message: 'To request a login, please enter the e-mail'. There are three input fields: 'Enter Email Address' (with placeholder 'Email Address'), 'Confirm Email Address' (with placeholder 'Re-enter Email Address'), and a 'Sign In' button at the bottom.</p>
<ol style="list-style-type: none">1. Log in to the Ellucian Customer Center at https://ellucian.okta.com with your TSU email address. <p><i>If you have problems logging in, or if you need a password reset, please contact csenablement@ellucian.com</i></p>	 <p>The image shows the 'ellucian' sign-in page. It features a large blue header with the 'ellucian' logo. Below the header is a 'Sign In' button. At the bottom, there are two input fields: 'Username' and 'Password', each with a corresponding icon (user and lock).</p>

2. Under the **RESOURCES** menu, choose **Knowledge > On-Demand Training**. You will automatically login to the training site.

The screenshot shows the Customer Center interface with a blue header bar containing the ellucian logo, Customer Center, RESOURCES (highlighted with a red arrow labeled '1'), SUPPORT, and TOOLS. Below the header is a 'Resources' section with three main categories: Community, Knowledge, and Documentation. The 'Knowledge' category is expanded, showing sub-options: Ideas, Community, Instructor-Led Training, On-Demand Training (highlighted with a red arrow labeled '2'), and Product Calendar & Releases. To the right of the Knowledge section, there is a list of Documentation links: Banner, Banner Compatibility, Colleague, Colleague Technical Reference, and Colleague Compatibility.

Once you can login, get started by clicking on a pathway below to find course selections to enhance your knowledge of Banner 9:
