Dean's Message

Greetings,

Our spring/summer edition of Freeman Honors gives an overview of transformative moments for the Honors College. Those moments include: our first Biannual Research Conference; the annual Spring Tribute honoring former President John Rudley and former Provost Sunny Ohia, who created the College in 2009; a Houston City Councilman lectured on the topic, "Beyond Voting;" and the second Academic Signing Day, which reaped our largest freshman class in recent years, of over 50 scholars who will be seated Fall 2022. Also, included in this edition are other significant events and scholarly activities of our junior and senior Freeman Scholars.

Please enjoy!

Dr. Dianne Jemison Pollard
