

STEM Reporting

6 Month Check In - USCIS requires that students report that their current employment company name, address, telephone number and email address is still accurate. If you have stopped working at your previous job, please let your DSO know the end date and if you have any new employment information.

Please report this information to DSO immediately.

12 Month Check In- At the end of the first 12 months students will need to complete the self-evaluation "**Evaluation on Student Progress**" on page 5 of the I-983 form and send it to your DSO.

18 Month Check In - Same as 6 month – report employment information and any updates that have not been reported.

24 Month Check In – Complete the "**Final Evaluation on Student Progress**" – page 5 of the I-983 form.
