SUPPORTING EVERY STUDENT AT EVERY STAGE

From the moment students consider becoming a Tiger to the moment they walk across the stage at commencement, programs and resources in Student Services and Enrollment Management support and enrich their journey to and through college.

WELCOMING NEW TIGERS

We provide one-on-one assistance, outreach and recruitment events for a diverse group of prospective students. Our "future Tigers" range in age from birth to adult learners focused on completing a degree at Texas Southern University.

OUR PROGRAMS AND SERVICES

Enrich, support and expand each student's college experience. From where students live to how they get involved on campus, we help them navigate their daily lives in a safe, healthy educational environment.

SAFE AND WELCOMING CAMPUS COMMUNITY

When you come to Texas Southern University, you're considered family and we welcome you home! Within our division, the core efforts center on working collectively with our University partners to promote access, student development, wellbeing, inclusiveness, academic success, student retention and ultimately persistence to graduation. Our division takes great pride in creating a setting that provides academic, social and personal support to our students within an inclusive and supportive environment.

Welcome to TSU where we love helping students to succeed!

We have something for everyone!

“Since transferring to Texas Southern, I have received so many blessings and opportunities I wouldn’t have received anywhere else. I was able to participate in a Houston Rockets pre-practice press conference, I interned for the Washington Redskins training camp, and received a paid internship with the XFL Houston Roughnecks. I am so blessed to attend an institution like Texas Southern University!”
