

Public Information

The Planning Accreditation Board requires this information be posted for the Masters in Urban Planning and Environmental Policy program (MUPEP).

Student Achievement

The Urban Planning and Environmental Policy Program at Texas Southern University attracts well-qualified students from diverse backgrounds. The program maintains a notable level of student diversity in terms of race, ethnicity, gender, geography and nation of origin. Our current class consists of approximately 67% African American, 13% Caucasian, and 6% Asian.

Our Master's students participated in the Legacy Project and presented their work at the APA TX conference. Mr. Isaiah Allen was honored with the Mike and Claudia McAnelly Student Scholarship at the event. Additionally, Mr. Kaleb Otems served as the student representative for the Houston APA chapter by Fall 2024, and Ms. Miracle Hilliman has taken over the position as his successor and is currently serving in that role. Two alumni successfully passed the AICP exam in the same period.

2024-2025 Tuition and Fees

- In State Residents, per full-time academic year: \$3,838.69
