Courses Taught

Texas Southern University

COMM 5301, CM 526: Introduction to Graduate Studies

Fall & Spring 2022, 2021, 2018, 2019, 2020, 1 section

Introduced MA in Communication students to advanced communication theory, and research.

Introduce graduate students to the matriculation in graduate school. Students learn the process of constructing thesis and master projects and use of APA style format from the proposal to defense as well as establishing a career trajectory after graduation.

COMM 5334, CM 534: Introduction to Graduate Research

Fall & Spring 2022, 2021, 2018, 2019, 2020, 1 section

Introduced MA in Communication students to communication research methodology, data collection, and research skills. Teach best practices in reading and analyzing qualitative and quantitative data analysis. Guide students through IRB process.

CM 552: Organizational Communication Theory

Fall 2019, 1 section

Introduced students with a concentration in organizational communication to approaches, models, and processes in nonverbal behaviors, structures, and approaches in various types of organizations.

Students examined and applied learning in practical application and through written papers, quizzes and exams.

CM 570: Communication in the Global Workplace

Summer 2021, 1 section

Taught advanced organizational communication concepts and theoretical frameworks applicable to global organizations such as Google, Facebook, and online education. Introduced models to examine culture through messaging and performative behaviors to encourage diversity, inclusion and equity in transnational work settings.

COMM 338: Introduction to Organizational Communication

Fall 2017-2020, 1 section; Fall 2016, 1 section;

Taught upper level course that focused on basic theory, concepts, models and approaches to organizational structure, behavior, culture and contexts. Students examined and applied learning in practical application and through case studies presented in class.

SC 438: Communication & Organizational Behavior

Spring 2017-2020 1 section;

Taught upper level course that focused on basic theory, concepts, models and approaches to organizational structure, behavior, culture and contexts. Students examined and applied learning in practical application and through case studies presented in class.

CM 130: Introduction to Communication Studies

Spring 2018, Fall 2017, 1 section; Spring 2017, 2 section; Fall 2016, 2 section; Spring 2015, 1 section

Introduced communication majors on basic theory, concepts, models and the various fields of study in the communication discipline. Students examined and applied learning in practical application and through written papers, quizzes and exams.

CM 200: Introduction to Communication Research Techniques

Spring 2018, Fall 2017, 1 section; Spring 2017, 1 section; Fall 2016, 1 section; Spring 2015, 1 section

Introduce communication majors to academic research and writing techniques. Students learn how to assess the credibility of sources, read and understand quantitative & qualitative research, and construct a research proposal.

SC 230: Urban Rhetorical Patterns

Fall 2017, 1 section

Taught upper level course that focused on the rhetoric of social movements, language, discourse, and strategies of protest. Students study various social movements in history, learn the basic construction of the rhetorical criticism and analyze symbolic meaning through written and verbal language.

SC 433: Health Communication

Fall 2017, 1 section; Fall 2015, 1 section; Fall 2013, 1 section; Fall 2015, 1 section

Taught upper level course that focused on theory, models and approaches to health communication contexts. Students are introduced to the field of health communication, e-health, m-health, and other new media outlets utilized in health communication. Students construct and propose a health campaign from start to finish.

SC 434: Principles of Leadership

Spring 2018, 1 section; Spring 2016, 1 section; Spring 2015, 1 section; Fall 2014, 1 section

Taught upper level course an introduction to the study and practice of leadership from a communication perspective. There is a particular focus on the relationship between communicating and leading. Combined reading assignments, lectures, discussions, classical and current approaches to leadership processes in various organizational contexts. Course included reading assignments, lectures, discussions, leadership portfolios and case study analysis.

SC 435: Advanced Public Speaking

Fall 2014, 1 section, Fall 2013, 1 section

Taught upper level course that examines modern and classical speeches. Students construct and deliver advanced speeches such as proposals, rhetorical performance, and manuscripts. Course includes reading assignments, lectures, discussions, speech writing and analysis, and polished presentation skills.

SC 233: Communication Skills for Health Professionals

Fall & Spring 2016, 1 section, Fall & Spring 2015, 1 section, Fall 2013, 1 section

Taught survey course designed for students in the health fields. Students explored communication dynamics in various health care contexts. The course focused on improving interpersonal, nonverbal and listening skills.

SC 232: Interpersonal Communication

Spring 2018, 1 section, Spring 2016, 1 section; Fall & Spring 2014, 1 section, Fall 2009, 2 sections, Spring 2010, 2 sections

Taught survey course that focused on theory, interpersonal relationships in different relational contexts. This course focused included lecture, exams, papers, and class discussion.

COMM 136: Public Address

(1 section each) Summer 2017; Fall 2016; Fall 2015; Summer 2015; Fall 2005; Spring 2005; Fall 2005; Spring 2006, 4 sections

Taught course in the research, composition, organization, delivery and analysis of speeches for various purposes and occasions. Facilitated students in developing proficiency in public speaking situations; emphasis on content, organization, and delivery of polished speeches.

COMM 135: Business & Professional Communication

Summer 2016-2020, Summer & Fall 2016 1 section, Fall 2013 1 section, 2004-Spring 2009; Total: 25

sections

Taught survey course. Designed course to focus on theory, business communication applications, interviewing and ethics of speech communication. Combined reading assignments, lectures, discussions, principles of interviewing, and polished presentation skills.

Basic Course Coordinator

Fall 2015 – Fall 2016; Fall 2007-Spring 2009

Managed 8-10 faculty in curriculum development and university course audits. Planned, organized, and executed a comprehensive re-organization of curriculum taught in basic course; assisted in the re-alignment of department objectives and capstone courses. Assisted with the university accreditation of Texas Southern University's Southern Association Academic Accreditation.

University of Nebraska-Lincoln

COMM 210: Small Group Communication

Fall 2010, 2 sections; Spring 2011, 2 sections

Teach small group communication courses for communication majors. Combined reading assignments (textbook & scholarly peer-reviewed articles). Approached a variety of current problems (e.g., leadership, participatory models, phases of group development) using small group processes to analyze the issues, research and evaluate possible solutions, and present findings.
