- 

## TEACHING/ACADEMIC

### Texas Southern University, Houston TX

*Visiting Professor/School of Communication*

**2018 – Present**

**Philosophy:** Utilize the most relevant technology to create a relaxed learning environment, stimulate conversation forums, and organize materials most coherently. Imports the field experience into the learning process, offering students a more practical view of the subject matter and guiding their future career choices.

- Develop partnerships with other campuses; create, distribute, and review the course syllabus.

Utilizes a variety of instructional strategies to engage students

- Coordinate courseware and curriculum with the academic department chair
- Facilitate Class Instruction.
- Evaluate Student Performance.
- Respond promptly to grade determination.
- Input Final Grades into the Blackboard Grade Center (if applicable).
- Teaches assigned class material by learning objectives
- Presents prepared materials and supervises organized activities.
- Maintains records of student attendance, involvement, and progress

**Houston Community College, COE - The Consumer Arts & Sciences** *Strategic Advisor*  
**2016 – October 2019**

- Coordinate outreach to businesses and organizations.
- Develop partnerships with other campuses;
- Set up organizational culture/structure/marketing and promotional strategies for recruitment, engagement, and workforce possibilities;
- Develop communication and marketing programs - Industrial analysis.

**The American Journal of Transformational Leadership**

*Vice-chancellor, Lead Faculty/Facilitator*

**2013 – Present**

- Coordinate leadership and management training of new/existing employees.
- Facilitate employee hiring, training, and development;
- Set up organizational culture/structure/marketing and promotional strategies for businesses worldwide;
- Coordinates faculty members at various institutions to facilitate student training and doctoral dissertation assistance.

Supervise various research projects.

**Guardian Newspapers Incorporated**

*Publisher/Editorial Director*

**1998 – Present**

- Responsible for entire publication management;
- Human resources planning and operations; Editorial management and training;
- Marketing coordination and supervision;
- Community liaison and coordination; Market demographic analysis

*Core Technical Responsibilities*

- Delivery of all digital communication project work
- Ideation of advertising client customer engagement campaign themes and concepts

- Architecture of cross-channel customer experiences
- Content creation including both graphic design and copywriting
- Production of digital products including web design, email, banner ads, display ads, etc.
- Production of traditional products including video and print files
- Essential Responsibilities and Deliverables
- Delivering original designs, text edits, and versioning of CS work across email, direct, and web channels
- Create original mobile-optimized email designs and landing pages
- Create and modify images for print and/or the Web, including photographs and illustrations, using software tools
- Facilitation of HTML and CSS+ and Exact Target programs to deliver templates

#### *Digital Communication Skills*

- Expert knowledge of graphics design programs such as QuarkXpress, InDesign, Photoshop, and Illustrator
- Expert knowledge of web graphics design programs such as Web Builder, WordPress web content system, and compatible themes.
- Expert knowledge of web WordPress Theme development and Social Media configuration.
  - Strong technical skills, and artistic and conceptual-thinking abilities
  - Ability to work under pressure in a high-energy environment
  - Excellent communication skills and self-motivation

#### *Newsprint Communication Skills*

- Create newspaper layout and design with design software, including QuarkXpress, InDesign, Photoshop, and Illustrator
- Create designs, concepts, and sample layouts based on knowledge of layout principles and esthetic design concepts.
- Prepare illustrations or rough sketches of material, discussing them with managers and making necessary changes.
- Confer with managers to discuss and determine layout design and suggest improvements as needed.
- Use computer software to generate new images.
- Maintain an archive of images, photos, or previous work products.

Organizes and maintains all creative props, displays, and signage.
