Volume 1, Issue 3
February 2025

QEP OVERVIEW:

14 Plays in 45 Days: Address the Whole Student from Application to Graduation

TSU's Quality Enhancement Plan is a multi-year initiative designed to enhance University business processes, student learning and success. Titled "14 Plays in 45 Days: Addressing the Whole Student from Application to Graduation," this plan aims to provide comprehensive support in 14 critical areas, ensuring students thrive from the moment they apply to TSU until they graduate and enter the workforce. The 45 days is derived from strategically deploying student support, specifically within the first 45 days (mid-term) of their enrollment. Providing a meaningful and supporting foundation for students will position them for academic, social, and personal success.

QEP SPOTLIGHT:

During QEP Awareness Week, we welcomed back distinguished alumni who shared their academic and professional journeys, offering invaluable advice to students. Their insights highlighted the power of mentorship and collaboration in fostering success.

We appreciate our alumni for their dedication to supporting and inspiring the next generation of leaders at Texas Southern University! #TSUPROUD

QEP IN ACTION:

QEP Awareness Week

QEP Awareness Week was an inspiring initiative focused on equipping students with the skills, motivation, and resources needed to thrive. Each day featured events highlighting key aspects of academic growth, well-being, and community engagement. Through these activities, students gained valuable insights and connections, reinforcing our commitment to their success at Texas Southern University and beyond!

T-CLAW Navigate

During QEP Awareness Week, Dr. Naomi Lawrence-Lee, Executive Director of Data Analytics, presented TCLAW Navigate, our student success platform. The presentation highlighted how this tool supports students through personalized advising, scheduling, and communication while also demonstrating its value for other key areas in student success, ensuring a more connected and efficient support system across campus.

Wellness Wednesday

Wellness Wednesday, in partnership with Campus Recreation, the University Counseling Center, S.H.A.P.E, and the Center for Wellness, provided students with an opportunity to focus on their mental, physical, and emotional well-being. Through engaging activities, wellness workshops, and access to essential campus resources, students explored stress management, fitness, and mental health support in a fun and supportive environment.

Signature Speaker: Robert Harper II

Robert Harper II delivered an inspiring talk to students, faculty, and staff on the power of focused energy. He emphasized how channeling effort and determination can help overcome challenges, build resilience, and unlock one's full potential. His message left a lasting impact, encouraging the TSU community to stay driven and purposeful in their pursuits.

UPCOMING EVENTS:

QEP: Wellness Wednesday

Partnering w/ Campus Recreation, UCC, TSU S.H.A.P.E, Center for Wellness, and SASO.
